LINO LAKES ELEMENTARY

Breakfast/Lunch

Students who are eligible for *Free* or *Reduced* price meals during the school year will receive meals at the same eligibility. (Reduced eligibility qualifies for free breakfasts.) Applications for free and/or reduced meals are available throughout the school year. Please inquire at the school cafeteria or office for an application.

Student accounts and funds will follow them from building to building, however, each time they change buildings they will be issued a new PIN number. For younger students, we will assist them during the process. Money should be in each student account to cover at least two weeks of meals, preferably four weeks. After summer school, student accounts and funds will be transferred back to their 2012/2013 enrolled school.

Money for meal accounts are accepted at the cafeteria. Please bring money to be deposited in meal accounts by 10:00 a.m. Deposits are also accepted online @ www.Paypams.com.

All food items at the high school can be purchased ala carte or as a complete meal. **Students must have funds in their meal account to purchase meals and items offered as ala carte. Absolutely no charging is allowed for ala carte items.**

We look forward to serving students a healthy and nutritious meal during the Summer School sessions.
