Dear Forest Lake Area Schools Community Education Volunteer:

Thank you for considering volunteering with Forest Lake Area Schools. We appreciate the time, energy and expertise you will share with our students.

Per School Board Policy 438, the school district shall require that Community Education volunteers working with school-age children and/or vulnerable adults in settings where they are not directly supervised by Community Education staff shall submit to a criminal history background check as specified by the school district. All of these Community Education volunteers must have an approved and completed background check on file at the district office.

Please complete the appropriate portion of the attached background investigation form.

- **Auxiliary Volunteer Request Form for Background Investigation-Online:** The top part of the form is for those who are able to complete the background check information online. After we receive the form, you will receive an email from Trusted Employees with the link to their secure website so that you can complete the background authorization online and pay for it online. The cost is \$22.50.
- **Auxiliary Volunteer Permission and Release Form for Background Investigation (If unable to process online):** The bottom portion of the form is for those who are unable to complete the form online. A check in the amount of \$22.50 payable to Forest Lake Area Schools must accompany the completed form.

Please return the form to Nancy DeMarais at the District Office (address above). If you have any questions, please call (651) 982-8110.

Again, thank you for considering volunteering in Forest Lake Area Schools Community Education. We hope you have a wonderful and rewarding experience.

Sincerely,

Julie Ohman
Director of Community Education
