

Forest Lake Family Center - Registration

First Priority given to registrations received by the lottery deadline.

Select classes and determine the correct fee level based on your family income. Keep a record of your request. Please provide second or third choices if possible. Providing multiple choices may increase your chances of securing a spot in a class.

No News is Good News!

Assume that you are registered for your first choice class unless you hear from us.

Mail, drop off or fax your registration and immunization forms

Completed forms should be received at the Family Center by September 11 to be included in the lottery registration.

We will continue accepting first semester registrations while space permits.

Our fax number is 651-982-8375.
